Caught up in circles confusion is nothing new.

Flashbacks, warm nights, almost left behind.

You're calling to me I can't hear what you've said.

If you fall I will catch you, I'll be waiting. Time after time.

After my picture fades and darkness has turned to grey.
Watching through windows, you're wondering if I'm ok.
Secrets stolen from deep inside.
The drum beats out of time.

If you're lost you can look and you will find me. Time after time.
If you fall I will catch you, I'll be waiting. Time after time.
