

Did you see any action? Did you make any friends?
Would you like some affection? Before I leave again.
I've been walking behind you, since you've been able to
see.

There's never been any reason, for you to think about me.

Did you have any bad dreams, did you break any glass?
Would you be my companion, is there even a chance?
You've been talking in circles, since I've been able to cry.
There's never been any reason, for never telling me why,
yea, yea.

Save my life, I'm going down for the last time.
Woman with the sweet lov'in, better than a white line.
Bring a good feeling ain't had in such a long time.
Save my life, I'm going down for the last time.

Have you ever been lonely? Do you have any fun?
Do you ever think of me? I'm just no one. Yea.
You never give me no answer, you never tell me the truth.
There's never been any reason. For me to think about you.

Save my life, I'm going down for the last time.
Woman with the sweet lov'in, better than a white line.
Don't you know she could bring a good feeling ain't had in
such a long time.
Save my life, I'm going down for the last time.
