

Ain't no use to sit an wonder why, babe
If you don't know by now
Oh now ain't no use to sit and wonder why
It won't ever do somehow
When your rooster crows at the break of dawn
Look out your window and know I'll be gone
Oh you're the reason I'm travelin' on
Don't think twice, it's alright

There ain't no use in turnin' on your light,
babe
the light I've never known
Now it ain't no use in turnin' on your light,
babe
I'm on the dark side of the road
Oh now I'm thinking' and a wonderin' all the
way down the road
I once loved a man of child i am told
I gave him my heart, but he wanted my soul
Don't think twice, it's alright

There ain't no use in callin' out my name, boy
like you never done before
Oh now ain't no use in callin' out my name
now
cause i can't hear anymore
I wish there was something you might do or
say
To try to make me change my mind and stay
but we never did too much talkin' anyways
don't think twice, it's alright

So long, honey baby
where i'm bound, I can't tell
Oh but good-bye is too good a word now
so I'll just say fare-thee-well
Now I ain't sayin' that you treated me unkind
You coulda done better, but oh I don't mind
You just kinda wasted all of my precious time
don't think twice, it's alright.
