

Em C D
I hear the ticking of the clock,
Em C D B7
I'm lying here the room's pitch dark.
Em C D
I wonder where you are tonight,
Em C D B7
no answer on your telephone.
C G C G
And the night goes by so very slow
C G D G
Oh I hope that it wont end so alone
Am F C G Am
Till now, I always got by on my own
F C G Am
I never really cared until I met you
F C G
And now it chills me to the bone
C F G C F G
How do I get you alone? How do I get you alone?

Em C D
You don't know how long I have wanted
Em C D B7

to touch your lips and hold you tight.
Em C D
You don't know how long I have waited
Em C D B7

and I was gonna tell you tonight.
C G C G

But the secret is still my own.
C G D G
And my love for you is still unknown, alone.

BREAK

Am F C G Am
Till now, I always got by on my own
F C G Am

I never really cared until I met you
F C G
And now it chills me to the bone
C F G C F G
How do I get you alone? How do I get you alone?
