

Play That Funky Music

Once I was a funky singer
playin' in a Rock and Roll Band
I never had no problems, yeah
Burnin' down the one night stands
And everything around me, yeah
Got to start to feelin' so low
And I decided quickly (Yes I did)
To disco down and check out the show
Yeah, they was dancin' and singin' and
movin' to the groovin' and just when it hit me
somebody turned around and shouted
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down the boogie and play that funky music
till you die. Till you die.

Play That Funky Music

I tried to understand this
I thought that they were out of their minds
How could I be so foolish (How could I)
To not see I was the one behind
So still I kept on fighting
Well, loosing every step of the way
I said, I must go back there (I got to go back)
And check to see if things still the same
Yeah, they was dancin' and singin' and
movin' to the groovin' and just when it hit me
somebody turned around and shouted
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down the boogie and play that funky music
till you die. Till you die.
Till you die

(Gonna play that electrified funky music, yeah)

Play That Funky Music

(Hey, wait a minute)
Now first it wasn't easy
Changin' Rock and Rollers minds
and things were getting shaky
I thought I'd have to leave it behind
But now its so much better (it's so much better)
I'm funkign out in every way
But I will never lose that feelin' (no I won't)
Of how I learned my lesson that day
Yeah, they was dancin' and singin' and
movin' to the groovin' and just when it hit me
somebody turned around and shouted
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down the boogie and play that funky music
till you die. Till you die.

They shouted play that funky music
(Play that funky music)
Play that funky music
