

Did you see any action? Did you make any friends?

Would you like some affection, before I leave again.

I been walking behind you since you been able to see.

There's never been any reason for you to think about me.

Did you have any bad dreams? Did you break any glass?

Would you be my companion? Is there even a chance?

You been talking in circles since I been able to cry.

There's never been any reason for never telling me why yeh, yeh

Save my life - I'm going down for the last
time

Woman with the sweet loving - better than
a white lie. (Don't you know she
could...)

Bring a good feeling ain't had in such a
long time.

Save my life I'm going down for the last
time...

Have you every been lonely? Do you have
any fun?

Do you ever think of me? I'm just another
o-o-o-o-one. Yea!

You never give me no answers; You never
tell me the truth.

There's never been any reason for me to
think about you.

There's never been any reason (repeat
twice)
