

When you're down and troubled and you need a helping
hand
And nothing, oh nothing is going right.
Close your eyes and think of me and soon I will be there
To brighten up even your darkest nights.

You just call out my name, and you know where ever I
am
I'll come running, oh yeah to see you again.
Winter, spring, summer, or fall, all you got to do is call
And I'll be there, yeah, yeah, yeah.
You've got a friend.

If the sky above you should turn dark and full of clouds
And that old north wind should begin to blow
Keep your head together and call my name out loud
And soon I will be knocking upon your door.

[chorus]

Hey, ain't it good to know that you've got a friend?
When people can be so cold.
They'll hurt you and desert you.
They'll take your soul if you let them.
Oh yeah, but don't you let them.

[chorus]
